Dear Friends,

Thank you on behalf of Adopt A Pet for the donation of the ECO- heater for use in the recovery room at the animal shelter. It is always important to keep the animals warm as they come out of surgery and this heater makes it possible. Your generosity will assist us for years in the future with the important project of spay/neuter, it is the only hope of controlling the overpopulation of pets.

We will recognize your company in our holiday newsletter and hope it will make your name and generous help for the animals known in the communities we serve.

We are tax exempt and contributions to us are deductible. Thanks again for your help.

Sincerely yours,
